2 GC Men Arrested On Charge Of Murder

Lloyd Cook, 62, Dies Of Head Injuries; Police Seek Weapon

A murder warrant was served yesterday afternoon on two Granite City men by police and State's Atty. Joseph Bartels within eight hours after the death at 8:20 a.m. of Lloyd Cook, 62, of 3088 Denver street.

Cook, a laborer, was found about 5 a.m. in the blood-spattered bedroom of his home. He had been beaten severely about the head and face. An ambulance was summoned to take him to St. Elizabeth's Hospital, where he died three hours later of a skull fracture.

Charged with murder are two acquaintances of Cook—George Everett Biggs, 36, of 2702 Denver street, and Floyd Cochran, 36, also of 2702 Denver street, both handymen. Police said Cochran was living in the basement of the Cook home.

Notified by neighbors, officers were summoned to the scene at 5 a.m. yesterday by a neighbor after Biggs told them he had arrived at Cook's home and found him beaten.

Police said Cook was lying diagonally across the bed with his head hanging down. He was garbed only in underwear. The bed was bloody and there was a pool of blood beneath the bed.

Chief Willard said the weapon used in the beating has not been located despite an area-wide search all-day yesterday. Willard said he has been unable to determine the reason for the beating. Money was found in the Cook home and \$50 was found on the beaten man at the hospital.

Biggs and Cochran have made no statements to police or State's Atty. Bartels. They are being held without bond in the city jail. Biggs was taken into custody at the Cook home and Cochran in the 2700 block of Denver.

Investigation Continuing
Police also are talking to residents of the 2600 and 2700 blocks of Denver street in the search for the weapon. No disturbances were heard during the night by persons living in the vicinity of the Cook residence.

An inquest is to be conducted by Deputy Coroner Robert Thomas. Because of Cook's condition, the case will not be opened according to relatives.

Cook, a native of Bliss, Mo., resided here 54 years. He was a laborer working out of the hall of 1301 3rd. He also was a World War II Army veteran.

Survivors include five brothers, Rev. Ralph Cook of Granite City, a retired minister; James Cook of St. Louis, Clarence Cook of Edwardsville, former Granite City fire chief, DeWitt Cook of Lincoln, Ill., and Floyd Cook of Sullivan, Mo.; and a sister, Mrs. Louis (Helen) Champion of San Ysidro, Calif.

Funeral arrangements are given in today's obituary column.

2000 Visitors To Area

The awards ceremony, held in the Memorial Gymnasium of the senior high school, was viewed by 1000-1500 persons, and it was estimated that the Quad-City area was host to over 2000 guests for the 11th annual Junior Sports Jamboree. Many parents—and even entire families—arrived to witness the competition.

The youngsters were given quarters dormitory style in other gymnasiums at the senior high and at Cordell Junior high, and the parents and other spectators filled all other accommodations in the area.

While this was predicted for Saturday, the weatherman cooperated perfectly for the entire three-day event.

Exactly two days before the awards ceremony, though, the 574 contestants who competed for these state-wide honors were just getting their luggage unpacked from trains and buses which had brought them from 182 towns throughout Illinois.

According to "Hoyle," Three days of activity began Thursday evening with dinner, a dance featuring the local "Invaders," and a chaperones' meeting to explain the rules "according to Hoyle"—a fictitious official from the Illinois Youth Commission and the State Jaycees who sponsored the meet.

HENRY A. GEORGE
Henry George, 68, Local Civic Leader, Dies of Cancer

Henry A. George, 68, prominent civic leader and lifelong resident of the Quad-Cities, died about 6 a.m. today at St. Luke's Hospital, St. Louis, where he had been a patient for two weeks.

At the time of his death, Mr. George was an active, long-time member of the YMCA board of directors and the Granite City public library board. Prior to moving to Granite City, he had been a member of the United Presbyterian Church and served on the church governing board as an elder. He was a native of Venice.

Surviving are his wife, Mrs. Anna George; one son, Gene George, of Granite City; one brother, William George, of Phoenix, Ariz.; one sister, Mrs. Hazel Rayburn of Walpole, Ore.; and three grandchildren.

Funeral arrangements are given in today's obituary column.

Proposed Increases
The proposals include: increase of the police protection fund from the present 12 cents to a maximum of 15 cents; increase of the corporate fund rate from the present .371 cents to a maximum of .383 cents; increase of the street and bridge fund rate from the present .052 cents to a new maximum of .066 cents.

The city of Venice would receive \$67,128 under the higher police protection rate, as compared with \$53,882 that could be extended under the present rate of 12 cents. This is an increase of \$13,246 in tax income.

The estimated amount that could be extended under the proposed rate increase for the corporate fund is \$149,608. The amount extendable under existing .371-cent rate is \$76,753.

Smallest Town Wins Top Honors in Jamboree

(Related Stories, Photos on pages 2-4-10)

Liberty, the smallest town entered in the Illinois Junior Sports Jamboree finals with a population of 350, received the "most outstanding citizen" award yesterday afternoon as Gov. Otto Kerner presented the trophy to Liberty coach Jack Reeves.

The little town had 12 youngsters in the competition. Coinciding with this presentation was a blue-embroidered candle-like trophy for Karen Sorrell, 15, one of 12 entrants from Liberty, who was named the girls' sportsmanship winner. Karen set a new state record in the intermediate girls high jump with a leap of 4' 11 1/4", and placed sixth in the 220-yard dash.

3 Men Wounded in Stabbing Incidents Here on Weekend

Three men were wounded in aggravated battery and criminal separate stabbings occurring in Madison county circuit court against the Norfolk & Western Railroad as the result of a fatal accident at the Maryville road railroad crossing last March 8.

The plaintiffs are Robert H. Baker of Granite City, administrator of the estate of Mrs. Dikie Baker, his wife, and Robin Baker, his daughter; for Deborah Baker, his minor daughter, and for himself.

Also named defendants were Robert L. Weitz, Jr., engineer on the train, and Burton Jones, fireman.

Deborah Baker, who survived the crash of the train into an auto driven by Mrs. Baker, seeks \$500,000 from the railroad. The suit seeks \$30,000 for each of the children, and the father is asking \$30,000 from the railroad and \$20,000 from the engineer and fireman. The suit listed 16 counts.

The complaint charges that the poles and other obstructions blocked the view at the crossing, it contained no safety devices and the warning horn of the train was not blown. Negligence and carelessness were charged.

Since the tragedy, the Illinois Commerce Commission has ordered the railroad to install crossing gates and flashing signals at the site within a year.

Two persons were hurt there a week ago when an auto was struck by a freight engine and knocked into another auto.

Robert G. Poe, Centerville, who accompanied Mayes to the tavern and also was attacked by the three men, said one of the assailants put a knife to his throat, but released him after one of the others told his assailant to let him alone.

Three Arrested
Those arrested were Billy J. Castle, 23, of 2118 Missouri avenue; Jack R. McLean, 26, of 2856 Center avenue, and Raymond Valencia, 24, of 1693 Marked street, Madison.

A burglar, who entered the Joseph Smallwood home at 3011 Denver street through a living room window, fled empty-handed through the same window when Mrs. Smallwood woke up. The incident occurred about 1:30 a.m. Friday.

The intruder entered the bedroom and when Mrs. Smallwood saw him, she flashed a flashlight in his face and then fled into the living room and jumped out the window.

Mr. La Pietz, 2418 Center street, reported to police at 2:30 a.m. Saturday that her home was entered through a kitchen window and that the intruder fled when she awakened. He left through the front door, and apparently no money was taken, police were told.

TV Set, Gun Stolen
A 21-inch color television set and a .38 caliber gun were stolen in a burglary at the home of David Partney, 2030 Benton street, he reported at 12:30 a.m. Monday. Total value was listed at \$197. There was no forced entry, but he said he had lost a key recently.

A burglar smashed a window on the northeast side of Branding Service station, Johnson road and Wabash avenue, and stole an undetermined number of spark plugs and money in cash. The burglar was seen by E. A. Branding, who discovered the theft.

Headless Corpse Identified As St. Louis County Man

The decomposed body of a man was found near the front seat of a car that was found abandoned in a field off Highway 265 south of Madison near the Granite City dump.

He was identified through a check book as Oca K. Davis, 53, of St. John, Mo., who was on parole for a fatal shooting in a St. Louis county prison. Investigation of the death is being conducted by St. Clair county authorities.

The body was lying on a slope of the old Illinois Terminal Railroad right-of-way with the top of the torso facing downward. Davis was dressed in a summer-weight dark suit, trousers and coat. A fairly new shoe was nearby.

It was believed that the head was carried away by animals. Several teeth were found in the area.

Checkbook and Key
Davis was identified through a checkbook from the Lindell Trust Co., St. Louis. It showed that a \$400 business transaction was made in July. A key to a safety deposit box was in a pocket.

After his strange disappearance last July 1, St. Louis police found his auto stripped of motor parts. A gun was hidden under

were homeward bound at approximately 3:30 p.m. after the awards ceremony. The last to leave were the train passengers, who went northbound on the GM&O railroad at 5 p.m.

Outstanding Boy Athlete
 The most outstanding boy athlete was Gregory Cohn, 15, of Chicago. Although he was not an individual winner, Gregory was second in both the intermediate boys broad jump and 100-yard dash and a member of Chicago's four-man 400-yard relay team which placed first.

Winning in the only two contests which she entered was Karen Wilbert of Springfield, the "most outstanding girl athlete." Karen, 15, tied the existing state record in the intermediate girls broad jump at 17' 6". She also scored an easy victory in the 220-yard dash with a time of 28.6. Kevin Gray, 14, of Evanston won the boys sportsmanship award. Kevin had a winning distance of 21' 2 1/2" in the intermediate boys broad jump and finished fourth in the 50-yard dash.

Local Participants
 Members of the Granite City Steel Management Club, which donated the five 20-inch trophies, were those who made decisions concerning the above winners.

Under the direction of George Fuchs, Jamboree representative, and Dale Orrick, club president, they were:

James Squires, 3144 Princeton avenue; Robert Yeager, 3028 Edgewood drive; Phil Conraux of Glen Carbon; Carl Buchanan of St. Louis and Gerald Donley, 3149 Myrtle avenue.

Requisites which had to be met before receiving the awards were:

Sportsmanship—attitude, teamwork, compliance with all rules, performance of a city's participants and general behavior not only during the Jamboree as a whole during the events but also in

Officials', Participants' Views on Jamboree

Harbert Siebert, Sports Jamboree co-chairman and Granite City Jamboree first vice-president, commented Saturday, "We really didn't realize the magnitude of this event until it was all over."

Quips and quotes concerning the Jamboree were noted and compiled by Press-Record reporters at the 11th Annual Junior Meet.

John A. Troile, chairman of the Illinois Youth Commission—"Without the IYC helping the Illinois Jaycees, and both of them helping the Granite City Jaycees hosts, this three-day meet could have never been accomplished. This proves one thing: working together resulted in the sponsorship of a state-wide Jamboree for over 60,000 youngsters."

Wayne Kern, state Jaycee president—"It would truly be hard to express how proud I am of you (to the 574 finalists at Saturday afternoon's awards ceremony). But since we'll be here a while, now I know why there is so much 'what' in this 'what' not 'gymnasium'."

Trophies for All
 Russell D. Johnson, superintendent of Granite City schools—"No one here should hang his head over the thinking about a recent loss. You're all winners (each of the 574 kids receive trophies for their performances). The only thing to worry about is that after being a winner there is only one way to go."

Although his words were few, Johnson did an excellent job on the physical running of the Jamboree.

Among many sidelight activities at the track and field meet, Meet chairman Paul Morris

could often be seen riding a bicycle up and down the racing lanes between events to get necessary information concerning times, winners and exchanging of batons from one end of the field to the other.

—The meet was locally televised by three St. Louis stations.

—Liberty, winner of the "most outstanding city" award, had 12 girls entrants, two first place winners, and over 20% of its towns 350 inhabitants were at the Jamboree.

Parents' Reactions
 —Many hearing parents of participants at the high school athletic field could be seen in the stands—cheering a win, sighing with a defeat of one of their children.

—Only three injuries were incurred during the three-day activity, and none of them happened during races or field events.

—More than 50 officials presided at the high school stadium. They were easy to spot, each wearing dark pants, a white shirt and specially furnished white styrofoam hats.

—Tina White talks with two separate frequencies were used throughout the 72 hours of continual mayhem—to relate scores, times, and help lost children find their way back to familiar faces.

—Lois Jeanne Huelskamp, Miss Granite City, and her court, Carolyn Randolph and Lynn Boswell, held up quite well Saturday afternoon considering the fact that they presented 708 trophies to the awards ceremony.

Say 'Witnesses' In Stamps Trial

(Special from Springfield)

Efforts to maintain maximum security in conduct of the murder trial of John Stamps of Granite City and three other Menard prison convicts were initiated today following reports of escape attempts by several convicted witnesses who have been held in the Springfield city jail.

Since last Thursday, deputy sheriffs have been frisking several spectators and, on occasion have frisked all spectators entering the courtroom.

The reported escape attempt was said to have been made Friday when convicted witnesses were being returned from the court to the city jail. No details were released.

Alleged Harassment
 Court convened this morning with discussions between Circuit Judge Fred Douglas and defense attorneys involving threats by the attorneys to withdraw from the case because of alleged "harassment" by Springfield police officers.

The attorneys, David Conn of Springfield, William Schuwerk of Chester and Earl Hendricks Jr. of Murphysboro, said they were ordered at the Springfield city jail when they went there to deliver a note from one of their clients to a convict witness from the state prison. The note had been approved by Judge Douglass.

The three lawyers told the court that Sgt. John Longdrain told them he had not been informed of the note and ordered the three attorneys detained until it could be checked. The incident occurred Thursday night.

Lawyers' Plea Pending
 Earlier, the five defense attorneys, including Richard Shalkiewicz of Alton who represents Stamps, sought to withdraw from the case because they have not received payment of fees and expenses as court-appointed defense attorneys.

A motion is now pending in the Illinois Supreme Court to let the state to pay the claims. Under regular procedure the fees should be paid by Sangamon county, but it is without funds to do so.

Stamps, William E. Bassett, Prentiss Griffin and Alonzo Jones are on trial for murdering three prison guards during a riot last Nov. 23 in the Menard prison kitchen. Seven other guards were wounded.

The trial went into its 15th week today. Nine weeks were required to select a jury from more than 850 veniremen.

Two Autos Collide

Autos driven by Winnie Newkirk, Florissant, Mo., and Debra L. Spender, 2008 Adams street, collided about 5 p.m. Thursday at 25th and Adams streets. The local resident was hearing by Aug. 26.

Faces Two Charges
 Charges of disorderly conduct and intoxication were placed against Wendell Tackett, 23, of 2133 State street, who was arrested at his home, early Saturday.

Federal Grants Sought

Eagle Park Petitioning County Board for Aid
 Petitions are being circulated in the Eagle Park area, which is officially turned over the land to the community.

The area for the proposed park is located at Hill and Booker streets, where the ceremony will be announced later, Johnson said.

To obtain federal financial assistance, Johnson said, incorporated areas are required by law to designate an official agency to handle the request.

He added that the funds to be sought will cover such improvements as construction and maintenance of sanitary sewers, storm water sewers, fire protection, street lighting and neighborhood facilities, together with a preliminary planning project.

Johnson also reported that on Aug. 20, John L. Steele, a Granite City real estate executive, who earlier this year donated use of a tract of land for park facilities in the Eagle Park area, will officially turn over the land to the community.

State Fair Begins Friday at Springfield

The State Fair opens Friday at Springfield and runs through Aug. 21.

Priceless antiques and inexpensive curiosities will be displayed the last Sunday, Aug. 21, of the fair at the first Antique Show and Flea Market.

The area for the proposed park is located at Hill and Booker streets, where the ceremony will be announced later, Johnson said.

"We'll have everything from trash to Tiffany," said Mrs. Betty Peters, manager of the show.

Three-Auto Pileup At Railroad Crossing
 Three autos were damaged on the Niedringhaus avenue railroad crossing when the brakes of one car failed, causing a chain-type crash.

Police said all three cars were traveling west when the auto of William Frangoulis, 2410 Delmar avenue, ran into the rear of the auto of Raymond McFalls, 3303 Kirkpatrick Homes, knocking it into the auto of Jessie Winberry, East St. Louis.

No injuries were listed.

Stop Sign Charge Filed
 Cheryl Santagato, 2525 Edwards street, was charged with a stop sign violation at 7:30 p.m. Thursday at Edwards street and Washington avenue. She was summoned for a hearing by Aug. 26.

 Charges of leaving the scene of an accident at 19th and State streets and operating a motor vehicle without a driver's license were placed against Barbara Armour, 55, of 2308 N. Main road, who was taken into custody Friday at her home.

Police said he southbound auto was involved in a collision Friday evening with a westbound auto driven by Donna Hillens, 15, of 2115 Richmond avenue.

Son of GC Resident Killed in Florida

Funeral services were held this afternoon at Belleville for Gary Lee Childress, 14, of Madison, Fla., who was killed at 6 p.m. Thursday in a motorcycle accident in the Florida community.

He is the son of Bill M. Childress Jr., 2202 Woodlawn avenue, and Mrs. Charlotte Moley of Madison, Fla.

The youth, who was a high school sophomore, was a member of the Future Farmers of America and the Methodist Church. He was born in Florida, where he had lived his entire life.

Besides his parents, the boy is survived by a brother, Bill M. Childress Jr., of Madison, Fla., and several aunts and uncles who reside in the Belleville area.

Fatal Traffic Accidents, Injuries Mount in Quad-City Area

Fatal accidents in the Quad-City area above the June total of 160, but this year was 142 in April. In year are 186 above last year's City area this year jumped to a drop of 53 traffic crashes below the month of May when 218 cases were reported in a total of 19 during July with two traffic deaths recorded for the month.

The total is two above last year's 17 fatalities at the same time of the year, and five above the 1966 total of 14 traffic deaths during the first seven months of the year.

Traffic accidents in the area during July totaled 166, an increase of only six accidents

The total of 166 traffic accidents was the largest in any month since June 1965, when 165 accidents were reported. The number of traffic deaths was 14, a decline of 12 from the 26 deaths reported in June 1966.

Largest number of injuries was 186, an increase of 14 from the 172 injuries reported in June 1966.

MORE ABOUT

Venice to Vote

Therefore the rate increase, if approved, would give Venice an additional \$72,716 in its general fund.

In the street and bridge fund, the proposed new rate would provide \$45,630, compared to \$23,340 under the existing maximum rate, giving the city an additional \$22,290 in this fund. All of these comparisons are based on computations made against the city's 1965 assessed valuation. Any fluctuation in new assessments for the 1966 tax year will result in proportionate changes in the estimates.

List Polling Places

Polling places for the election are designated by wards and will be set up as follows:

Polling Place One, for residents of Ward One, Odd Fellows Hall at Second and Granville streets.

Polling Place Two, for residents of Ward Two, City Hall at Broadway and Klein streets.

Polling Place Three, for residents of Ward Three, Cozy Corner Cafe, Mercedia and Douglas streets.

Polling Place Four, for residents of Ward Four, 109 Weaver street.

Polling places will open at 6 a.m. and close at 6 p.m.

Rising Costs—Less Income

Increased operating costs and rising salary requirements have presented Venice a growing financial problem during the past two years. The problem became even more serious earlier this year when taxing officials returned to use of the Hodge-Burke formula limiting tax rates in certain funds. Venice lost about \$22,000 tax income as a result of the action.

A treasurer's report filed with the city council in Friday night's meeting showed the city entered the month of July with a balance of \$13,757, only half enough to meet bills for a month of routine operation. These funds were the remainder of about \$100,000 borrowed by the city several months ago from its working cash fund from their Broadway underpassing.

Comptroller Carl Byrnes was able to obtain an advance of 1966 taxes in the amount of \$20,000, which, with other routine city revenue of \$315 increased to \$55,853 the total amount of funds with which to pay July bills. Expenses for the month totaled \$24,372.

Byrnes said he had conferred with Township Collector Frank H. E. Carpenter, 211 Abbott Reidelberger jr., who recently completed Venice township tax collections, and was informed that the bulk of the city's tax settlement will be received in about a week or ten days.

Possibility that the city may lose its \$100,000 annual income from operation of McKinley bridge has created another serious aspect of the financial problem. Under escalating clauses of its bond contract, higher principal payments became effective soon and unless the city can re-

Colide in Madison

Cars driven by Clarence W. Lancaster, 18 Jones Park drive, and Robert E. Gehner, Workmen were damaged in a collision at Second street and Madison avenue, Madison, at 8:55 p.m. Friday.

Police reported both cars were headed north on Madison avenue when the accident occurred. Lancaster's car was damaged in the left front and Gehner's auto in the right rear.

"In addition to his devoted service and guidance to these people in their personal problems and dreams, he has also set them on the road, as a group, to full participation in the life of the community."

"He deserves much of the credit for the new Latin American Federation of Lincoln Park in which LCPA has played a major part."

The efforts of Father Betinec to help all men live as brothers is in the highest tradition and ideals of his vocation, of Lincoln Park and of the nation, and LCPA is honored to recognize his contribution to the community."

Outdoor Whisky Drinker Arrested in Venice

Emmitt Wooten, 55, of 210 Wilson street, Venice, was arrested by Venice police at 9:35 p.m. Friday on a charge of refusing to obey an order of a police officer. Police reported Wooten was standing outside the Robin Nest tavern drinking whisky from a bottle.

Passes Stop Sign

Jack E. Moisen, 55, of Florissant, Mo., was arrested by Madison police at 2 p.m. Saturday on a charge of passing a stop sign at Third and Bissell streets. He posted his driver's license and cash bail pending a hearing Aug. 17.

Accident on Edwards

Scouts Attending Aquatic Session

The 1966 aquatic and conservation camp session at Camp Sunken in Missouri is being attended this week by 13 Quad-City area Boy Scouts.

They are—Phillip Daniels, Terry Rump, Tony Ochoa, Kirk Reidelberger and Duane Georgoff of Venice Troop One; Gareth Smith of Granite City Troop Three.

Mack Young and Richard Meyers of Mitchell Troop 41; Daniel Conway, Ronald Kuzma and Steve Fischer of Granite City Troop 12, and James Thorne and John Perdue of Granite City Troop Eight.

GC School Budget Tonight; May Postpone Jr. High Bids

The Granite City school board will consider tentative adoption of its 1966-67 budget during a regular meeting at 7:30 tonight at the board office, 2014 State street.

Another major item of business—opening of construction bids on Grigsby junior high school, Fontoon and Cargill roads—may be postponed from this week.

Originally slated for this Thursday evening, Aug. 11, the bid opening may be deferred by the board this evening from Aug. 11 to Aug. 24. Possibility of omitting the Aug. 24 meeting had been discussed earlier, but the bid rescheduling would make a date change a conflict with another bid opening this week, and the shortness of time that has been allowed. Detailed plans and specifications for the new junior high school were made available to contractors beginning July 22.

GC School Budget Tonight; May Postpone Jr. High Bids

Business scheduled for tonight besides the new budget, which will not be adopted in final form until September, includes a sewer engineering contract, a custodial contract question, repair work and school vandalism.

Also listed are bids, resignations, hiring, 16 categories of supply bids, band instruments and uniforms, special purchases and authorization to attend a school business officials' meeting.

DWI Charge Filed

A charge of driving while intoxicated was placed against Walter J. Schroeder, 66, of 1805 Maple street, about 8:30 p.m. Saturday following a traffic accident in the 2000 block of Washington avenue. Police said Schroeder's northbound auto crashed into a parked car belonging to George Dombeck, 3448 Lydia lane.

Lighted candles in brass candleabra and an arched background of candles, together with white gladioli and pom poms in brass containers, provided the setting Saturday evening at Nameeki Methodist Church for the wedding of Miss Nancy Lee Bischoff, a daughter of Mr. and Mrs. Howard Bischoff, 1603 Amos avenue, and Steven Wayne Leach, a son of Mr. and Mrs. Ralph Leach of Rochester, Ill.

The Rev. Erwin Pratt, pastor of the Rochester Methodist Church, performed the ceremony at 7:30 o'clock and a reception followed in the church social rooms.

Mr. Bischoff gave his daughter in marriage. She wore a slim silhouette gown of silk organza and imported Alencon lace. Appliques of lace trimmed the fitted bodice at the waistline. The elbow-length sleeves were embellished with seed pearls and crystals and the same trim was repeated on the skirt at the wide hemline. A detachable train was attached at the waist.

A shoulder-length veil of illusion was held in place with a coronet of lace and shimmering pearl and crystal loops. The bride carried a crescent of white snowdrip pom poms and ivory centered with two white orchids.

Miss Carol Bischoff, the bride's sister, maid of honor, Mrs. Donald Kalmayer, another sister of the bride, Mrs. Ronald Snyder, a college roommate of Mrs. Roger Baasrich, and Miss Jo Lynch Leach, a sister of the bridegroom, bridesmaids, wore gowns with moss green chiffon bodies and long tapered sleeves. The slim, floor-length skirts of beige crepe had trains with self-bows and outlining trim of chiffon.

Their flowers were crescents of yellow snowdrip pom poms and moss green ribbon and they were gathered veils of moss green held in place with flowers. After a honeymoon in the Missouri Ozarks, the couple will live at 3134 Nameeki road.

The bride attended the local schools and was graduated from Southern Illinois University. She is employed as a technical analysis for McDonnell Aircraft Corp.

574 Trophy, Loving Cup Awards; Five New State Records Set

The 11th Annual Illinois Junior Sports Jamore came to a conclusion Saturday afternoon with the presentation of awards to 574 girls and boy athletes who participated in 41 different events. Five new state records were set.

Gov. Otto Kern, Illinois Youth Commission chairman John A. Troike, and state Jaycee President Wayne Kern all took part in the honor activities held at Memorial Gymnasium of Granite City high school.

Each of the contestants went through the winners' arch as his or her name was announced by Donald Kopf, local Jaycee member and master of ceremonies. The first six finalists received trophies of varying sizes, while the remaining competitors received miniature loving cups.

In addition to the individual awards, five special trophies were presented for outstanding performance and sportsmanship.

Mercer Middle Men Prove Potent

Mercer Downs Pocahontas; Hearts Club Mitchell AC

The Inter-City League Blue Division race widened out yesterday as Mercer won an 11-2 victory at Pocahontas and Hearts-Blue Home put Mitchell A.C. further in the lead by winning 14-6 at Wilson Park.

Around the league, Maryland tightened up the Blue Division race by beating Collinsville 5-2. East St. Louis Polish American beat Troy 11-4. And East St. Louis Harper won over East Alton 7-4.

Mitchell had trouble with the rains, and not the kind that fall from the skies. Adrian Rains was five-for-five with a triple, a double and three singles. Brother, Jim, had three singles, and walked.

19 Hit Attack
Bob Finks, Roy Logan and Bob Ketter each had two hits, newcomer Charlie Collins had one hit and Ron Reiss, who went all the way for the Hearts, had three hits in the winner's 19-hit barrage.

The Hearts were leading 13-1 by the sixth, scoring Blue called in the sixth inning alone. Mitchell came to life in the seventh when Joe Fanning, Mary Brokaw and Larry Corey each singled in front of Larry Williams' grand slam homer.

Brokaw, who had tripled in the fifth, led off the ninth with a single and scored on Chuck Logan.

Junior boys baseball throw—John Restivo, Freeman Spur, 282'2".

Intermediate boys baseball throw—Alan Daniels, Westville, 283'7".

Junior girls broad jump—Val Mizurski's double. But this was the end of Mitchell's story.

Mercer Rolls Early
Mercer began immediately on Dale Komerskirchen at Pocahontas when Charlie Johannmeier tripped and scored on Fred Hoffman's sacrifice fly.

A walk, single and triple put Pocahontas ahead only briefly before the first before Bruce Thompson leveled off. In all, Thompson allowed nine hits, walked two and struck out four.

Mercer scored single runs in the first, second and third where Bobby Jones homered, Jones' double, a walk to Greg Patton, Crabtree's single and Terry French's two RBI hit, accounted for three in the sixth.

Middle of Lineup Clicked
Actually, it was fifth, sixth and seventh men in Mercer line-up that did the damage. French was four-for-four, Jones three-for-four and manager Don Crabtree went three-for-five as the trio accounted for nine runs, three of which were scored by Patton.

Trailriders Saddle Club Hosts Show and Picnic

The Trailriders Saddle Club held a fun show and watermelon supper last night at the club's new place just west of Granite City. There were 28 members and 62 guests in attendance.

The program consisted of 10 events, five awards being given for top performance in each. Emylie Alford, president, said anyone interested in participating in the next horse show may call Tel 7-5588.

New Start Method Pleases Judges

Granite City will definitely be remembered by many sports-minded track and field judges. For during the actual running of dashes and relays a special "double-gun, double-eye" system was used. It was fool-proof.

When contestants were at their starting blocks and given the gun by head starter Dick Schmidt's gun, another gun would sound almost immediately after the first if there was a false-start. This was done by Bob Miller. Actually, then, the young athletes wouldn't "wind" themselves unnecessarily.

Coaches from the competing towns commented on this to head judge Dick Yates. Having a "first" in a track meet nowadays is hard to comprehend. Still, the other coaches will travel back to their hometowns with an idea that they like and will use in future competition, they said.

Mexican Honorary in Running, Too

Polish Hall Still Undefeated In Caseyville State Tourney

Polish Hall, to the surprise of many, continued to romp through the Caseyville State Slow Pitch Tournament undefeated through Saturday.

Of the loser's bracket among Quad-City area teams, only Mexican Honorary remains. Merchants were eliminated Saturday, Buzz's yesterday.

Finals Next Weekend
Polish Hall, thus, can take the tournament with one more victory. The team meets the loser's bracket winner at 7 p.m. Sunday night.

Of the five remaining loser's bracket teams, namely, Mexican Honorary, Tasmanian Devils, French Village Rogues, Carbon Heights Reds as the second Quad-City team to be eliminated. They lost to Caseyville C-S Trucking 7-3 in a 9 p.m. game Saturday. The winners scored five times in the third on six singles and an error. George Sykes led the losers with a three-for-two plate performance.

Fourth Consecutive Year
After winning three games over the weekend, including two last night against Merchants, Polish Hall will travel to Urbana (Aug. 18-20) for the fourth straight year to represent the Quad-Cities in the American Softball Association class B state tournament.

Kirchner's Win 3, Take Regional Meet
Kirchner's stalwart pitcher Satch Page was undoubtedly the hero in Sunday's contests as he hurled a complete seven innings in both games. While winning the first of two over the Merchants, Page limited them to five hits in a close 2-1 victory. After a short intermission between games, he shut his opponents in the first stanza scored Williams who carried the lone run of the game across the plate.

Another double by Sykes and singles from the bats of Larry Williams and Tom Tindor were spread too far apart to do any damage for the losers.

Saturday night was comparatively easy when the Kirchner's down Granite City Steel Credit Union by a 4-0 score. Kirchner once again started with two hits and two runs scored. Jim Vincent pitched the route and allowed eight hits to the Credit Union, which scored its only run on a walk, an error and two singles in the bottom of the seventh inning.

Scoob-A-Dans, Burger Chef in Title Contest
Burger Chef trounced the Missifs Friday night in the Girls Softball League playoff, 29-9. With this victory they now have their eyes set for championship contest at 6:15 p.m. this Thursday at Wilson Park's diamond 7, against the Maddox Motors Plaza Pizza Scoob-A-Dans.

Sandy Allen, who was the winning pitcher, slugged a double and two singles in leading the Burger Chef brigade of 24 hits. The Missifs who led plenty of "men" on base, hit safely 21 times but failed to score the needed runs. Carol Chappell had two doubles and three singles for the losers.

Spiker Leads Bobcats to Nemoiki-Pontion Title
Pitcher Tim Spiker turned hot Friday night when he led Kozzyak's Bobcats to a 13-9 victory over the Bellemeare Barber Crewcuts for the major division championship of the Nemoiki-Pontion Title League.

In a game filled with more than the usual amount of hits, runs and errors, Tim stood out as he pitched a complete seven innings, and smacked both a home run and a triple.

IRA MURCHISON
Trutifully coming back from a far worse than death in 1958 was a man named Ira Murchison, who was given no better than a 50-50 chance.

For this Chicago athlete disproved the doctors who said he would never return to track and field. He had been operated on for a colon disease and became subject to a surgically formed colostomy. Nevertheless, with the aid of a way back to his first love, running.

Ira Murchison, now in his middle thirties, at this point in his career held seven world dash records: the 40, 50, 60, 70 and 100-yard dashes and the 100-meter dash. The last standard was set in the 1963 Pan-American Games when he broke a 27-year-old record held by Jesse Owens, former Olympic champion during the 1936 international games in Germany.

Today Ira holds only the 40 and 50-yard dash official world "first" places, but many of his efforts who attended the Illinois Junior Sports Jamore with him over the weekend say that comeback from a 50-pound weight loss and chance of death is a medical "first" that will always be remembered.

According to Murchison, "This proves one thing—anybody can really do anything he wants if he puts his mind to it."

Now participating in his second consecutive Sports Jamore, Ira is coach of the Mayor Daley Youth Foundation team from Chicago. In addition to this he is mentor of a girls' track team which has traveled to the states of Washington, N. M., Maryland, Ohio, New York and Michigan as participants in various track and field meets.

Wrecks Mar Tri-City Weekend Race Card

In Saturday's Tri-City Speedway program, a sensational wreck caused the hospitalization of Bob Filson, Springfield, during the feature event of the super modifieds.

Filson experienced steering failure and struck a retaining wall, ran over a light pole and slipped twice before coming to a halt. According to reports he will remain as a patient at St. Elizabeth Hospital until he is transferred to a Springfield hospital sometime next week.

Jenkins Wins Feature
In a field of 25 super modifieds the fastest qualifier was Chuck Puckett of Decatur. The feature event of the super modified class was won by Jenkins at a 5-lap distance. The handicapped trophy was won by Perkins.

Wrecks Mar Hobby Event
Gary Greer of St. Louis and Buck Beasley of Alton won the 1st and 2nd heats of the hobby car division, while Ronnie Perkins, Granite City, Bill Baker of Hannibal, Mo., Jenkins and Ray Detraman of Edwardsville were tops in the four super modified heat races.

The hobby car feature race, won by Jansen, was the scene of two pile-ups.
On the fifth lap, Gary Greer of St. Louis, who had taken fast qualifying and the second heat, collided with another St. Louisian, Tom Rushing. Neither driver was hurt.
Then on the 11th lap, winner of the third heat, Beasley, up-ended Don Sherbourne of St. Louis. Again, neither driver sustained injuries.
The Speedway management has posted a guarantee of \$3250 for this week's championship program. A field of 17 entrants has already been filed, but it is expected to swell to more than 30 by racing time.

Seebold Boats Score 3 Times In U.S. Event

Billy Seebold, driving boats built by his father, Bill Seebold sr., won in three classifications at the American Powerboat Association U. S. championships at DePue, Ill. over the weekend. His victories came in the B, C and D Runabout classes. Amassing 200 points, young Seebold took the Overall High Point Trophy, a massive 6'6" 250-pound piece.

Next weekend, the Seebold boats are entered in the U.S. All Powerboat Association world championships at Midland, Mich.

BOUND FOR ENGLAND is this exact replica of the WW II P-51 Mustang built by its owner here, Warren MacZura, 2208 Aubrey Avenue. The craft placed first in scale division at national championship and will be the first U. S. scale model entry in international competition.

Plane Contains over 2000 Parts

Model Plane Builder in World Competition

Warren MacZura's entrant in the International Model Aircraft "Olympics" at Swindley, England, Aug. 26-30 represents a triple-threat in Quad-City model airplane competition. The 41-year-old model enthusiast's plane won first place in the national event at Chicago recently.
It's entry in International competition is a first for scale model aircraft.
MacZura will be a Quad-City first-timer in this level of competition.

3 Years to Build
"It took three years to build this model," MacZura said, "describing the meticulous pains taken to exactly duplicate the world war II Grumman P-51 Mustang."
MacZura's model, containing over 2000 individual parts, is a one-inch to one-foot scale down of a Gulf Oil Bearcat conversion, minus armament. It is done in brilliant orange, blue and white.

Controlled By Cable
Features such as disposable belly tank, operating cowl flaps, landing gear and tail wheel, functioning landing flaps, wing tip and tail lights and fuel or speed throttle are all incorporated in the model.
MacZura, who can not accompany his plane to England, is planning to crate it and send it on its way this week.

1st-Place Bethel Wins Again in Church League
Bethel Community strengthened its hold on first place in the Granite City Church League Friday evening when its slow-pitch softballers edged out a victory over Central Christian by an 8-6 score.

Although the losers outbid Bethel, 14-12, an error by Chris, its only one of the game, proved to let in eventually the deciding run. Luther Holst homered for Bethel, now sporting a 10-2 won-lost record, and John Mitchell did the same for Christian, 2-4.
Keeping up with a fast pace set by the leaders, Community Heights Assembly improved its state to 9-3 by defeating West 22nd Baptist (7-5), 17-10. Leading a 1-1 hit attack were Dave Wise and Jim Black, who homered, and Charles Jacobs with three safeties. Dave Noel and Ernie Phillips slugged round-trippers for West 22nd.

Following the top two teams was Niedringhaus Methodist which upped its record to 8-4 after a win over 2nd Baptist (5-7). In losing 9-5, Baptist could hit safely only eight times, while Niedringhaus doubled that total, including a single, triple and home-run by Bill Lancaster. Graceland Baptist and Emmanuel Baptist didn't exactly treat each other as brethren, for both squads did its share of damage to the opposing team. Nevertheless, Graceland won with the most runs (11-9), the most hits (15-14), and even the most errors (5-4). Homers of Willie Emmanuel, now 0-11, were hit by Ray Smith and Ken Carr. They were somewhat offset, however, by a barrage of triples by Mike Warren and Tom Mabrey of Graceland (6-5).

Mercer Juniors Stay on Winning Track at Roxana
It took 10 innings but the Mercer Juniors won a clutch victory at Roxana yesterday as they downed the champion Wood River area Junior Khoury nine 2-0.

The win over the Roxana team was set up in the tenth when Gary Stankewich doubled. Donnie Raine, who went out the way in striking out 13 and walking just two, singled for one run. Johnny Johnston singled and scored when Roger Belash hit onto a fielder's choice.
Paul Kacera had singled and tripled earlier. Carl Benson had singled and Jeff Jones had hit safely before the winner's could get its attack to jell.

Triumphs for Polish Hall: Liberty Home

Polish Hall continued to pace the Open League A competition at Wilson Park Thursday night by beating Mexican Honorary 8-3. The winners are now 10-1. Dan Trotts tripled and singled twice in sparking the Polish 15-hit attack. Sonny Anzoff homered for the losers, now 5-4.

Liberty Home stayed close to the top by winning 14-1 over Club Delmar. Liberty Home's record is 9-2 now. Bill Seago homered for the winners. John Measki hit two homers and John Kipp a single homer for Club Delmar. The losers are 2-8.

Sonny's Tavern pounded out a 21-4 win over Roxy's Realty. Sammy's, now 7-4, had homers by Joe Fanning and Bob Scharf. Bob Karandjoff was five-for-five. For Roxy's, now 5-6, Ira Martin stood out with a homer and double.

John Dingworth's home run with a mate on board in the last inning clinched a 13-11 win for Falstaff over local 50. John Michaels had two home runs for Kibstiff earlier. Bob Mikolasz's double and Tony Root's single had helped put the losers ahead in their seventh. Both teams are 3-8.

Mathews Set In Regional

Mathews Chevrolet drew the bye in a single elimination regional fast pitch tournament at Wood River's West End Park next Saturday and Sunday.
This will decide berths in the state tournament at Alton Aug. 27-28. At noon, Springfield will face the Alton Chiefs at 8:30 p.m. Saturday. The winner here faces Mathews at 7:30 p.m. Sunday.

Owner Cannot Go
Judging in England, where the craft will be flown by proxy by an American competition team, is based on the model's fidelity to scale and design, plus the in-flight demonstration.

MacZura, who can not accompany his plane to England, is planning to crate it and send it on its way this week.
Acknowledging the problems of the airlines strike he said, "I'll go by truck to Philadelphia and then be air-lifted over to England."
Over 30 countries will be represented in the world competition MacZura said. He added that several are from certain nations, including Russia.

2nd in SWISA Meet Saturday
Severely crippled by their own physical exertion, Paddlers Swim Club of Granite City battled Alton Summersport through 124 events Saturday afternoon before conceding defeat.

The Southwestern Illinois Swimming Association Conference championships were held at Sunderswim Swim Club in Belleville where a field of 875 entries gave approximately 100 spectators thrill after thrill in a well-balanced 8 1/2-hour meet. The first-place position changed seven times before it was all over. Scores and positions:

1st—Summersport, Alton (400); 2nd—Paddlers, Granite City (360); 3rd—Sunset Hills—Edwardsville (209); 4th—Town and Country, Collinsville (205); 5th—Mentair, Edwardsville (185); 6th—Sunderswim, Belleville (149); 7th—Dorchester, Belleville (142); 8th—Hilltoppers, Dupu (30).

According to Coach Keith Parker, several paddlers, in the preliminary and finals, had to swim 10 events on Saturday, "which speaks highly of the physical condition of the squad."

Nevertheless, Paddlers did score 12 first-place wins, including four relay races: 13-17 girls medley relay, 9-10 girls freestyle relay, 11-12 boys freestyle relay, 13-14 girls freestyle relay. Ann Bickhaus was a triple winner for Paddlers, as she placed first in the 13-14 individual medley, 13-14 breaststroke, and 13-17 girls butterfly. Ann, who actually is among the 11-12 age group, has been swimming an old hand.

Other Paddler victories: Gayle Thompson (15-17 girls diving), Katie Kaseberg (15-17 girls freestyle), Eric Mills (11-12 girls breaststroke), Linda Malfoldi (13-14 girls backstroke), Eric Cunningham (11-12 boys butterfly).

Squirrel Hunters Banned In 8 Southern Areas
Squirrel season say open in the Southern Conservation Zone, but it is not open on eight southern conservation areas, the Illinois Department of Conservation at Springfield announced today.

Squirrels may not be hunted on the Lake Ramsey, Stephen Forbes, Red Hills, Sam Dale, Washington county, Randolph county, L. P. Delan, and Glen O. Jones areas until Sept. 15. The Lake Argyle Area, near Colchester in the northern Conservation Zone, will not be open for squirrel hunting until that date.

Venice Cahokia In Two Defeats

Venice Cahokia suffered another Girls' Twilight League defeat Friday night at Lee Park when Grafton up-ended them 12-7. Their record now becomes 9-24. Their position in third place in the West division is secure with the race ending this week. Maryville leads the division at 20-6, second place Wood River is 15-10 and Belleville trails at 0-21.

In Thursday night's game against Collinsville, Cathy McLain of Venice-Cahokia had the game's only homer. It came in the fourth inning with one on as the southpaw swinger gave her team a 5-4 lead. Collinsville went on to win 15-5.

Venice-Cahokia is one of 16 teams entered in the Aug. 20-21 first annual Khoury Women's Softball Tournament at St. Louis' Fox Park. Maryville is the only other Twilight League team entered.

Action in the Senior Khoury league saw only one game yesterday. This was at Coolidge where George Spikes' Granite City Steel Credit Union team edged East St. Louis VFW 3-2. A game between the Venice Mets and Belleville Moose at Lee Park resulted in a forfeit loss for the Mets.
Jim Campbell walked only two and struck out 13 for Credit Union. He also tripped behind Steve Freely who reached on an error in the fifth. Campbell then was walked home with what the tying run at that time.
Nick Petrillo reached on an error in the eighth, stole third and scored the winning run on Gary Skinner's sacrifice fly. Nick Podoba had hit safely in the inning but was forced out.

Rich Reutech's single, two singles by Podoba and Campbell's triple were the only hits the winners collected in the tightly fought contest.
Granite City and VFW will play this Sunday to determine their places in the playoff games since both teams now have a record of 12 wins and two losses. A neutral field at Belleville has been suggested but a ruling is yet to be had by the league president and an agreement of coaches.

Edwardsville 2nd in Legion
Edwardsville Post 190 came out second best in the state tournament at Morton Grove this weekend. After notching a 7-3 win Thursday over North Chicago they lost to Northbrook 9-3 Friday. Saturday they came back for a 1-2 win over North Chicago but were downed 8-4 by the Northbrook team yesterday.

Thieves Cut Link Fence To Steal Truck, Tools

A truck owned by R. Drom Electrical Co. was stolen from the Madison Industrial Park tract during the weekend, loaded with tools and abandoned at Stoen and Farish streets in Madison.

The thieves cut a section out of a chain link fence to drive the truck away, Madison police said. The truck was parked in the fenced area where the Illinois Power Co. is constructing new power installations in the area just south of Rely Tar Co. Madison police said the truck was stolen between the time the electricians quit late Friday afternoon and Sunday afternoon when the truck was reported parked on the wrong side of the street by a resident in the neighborhood. The truck was undamaged.

Disorderly Charge Filed

Tommy Williams, 20, of 163 Lee Wright Homes, was arrested by Venice police at 11:20 p.m. Saturday on a charge of disorderly conduct. Police said they were called to the 1000 block of Market street where Williams was creating a disturbance. They said he became abusive and force was necessary to take him to a cell. He posted \$25 cash bail pending a hearing in magistrate's court Aug. 17.

Action-Packed Jr. Sports Jamboree Provides 'Field Day' for Sports Enthusiasts, Photographers

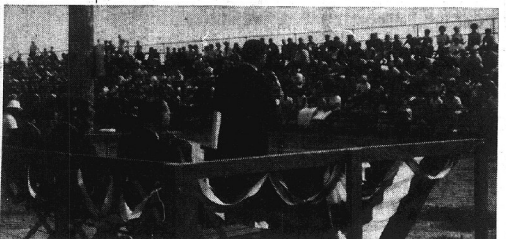

Pathos and Delight

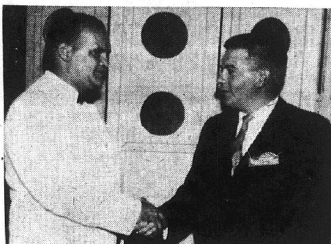

THE AGONY OF DEFEAT is felt by Debra Rice of Rock Island, who ran a close second in the Junior Girls 75-yard dash. Consoling her is Alton Jaycee Herman Shaw.

ECSTASY OF WINNING expressed with a smile by Karen Wilbert of Springfield in winning the Intermediate Girls 220-yard dash. Karen was awarded a trophy by the Granite City Steel Co. Management Club for "most outstanding girl athlete."

WELCOMING JR. OLYMPIC ATHLETES is Boyd Presley, Jaycee president at Friday's opening day ceremonies of the Sports Jamboree. The ceremony included remarks by Mayor Donald Partney and officials from the Illinois Youth Commission.

JAMBOREE BOOSTER Kenneth McNish of Rock Falls (left) is thanked by Herbert Siebert, co-chairman of the Illinois Junior Sports Jamboree. McNish annually spends his vacation time each summer to help meet officials in any way possible on his own time and at his own expense.

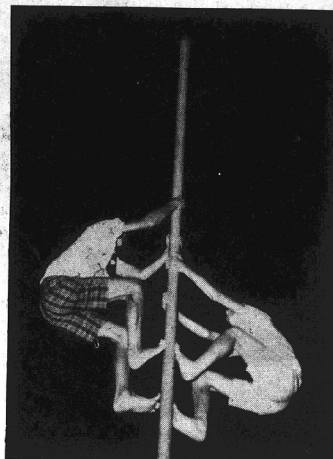

CONFIRMING A WIN by "walkie-talkie" is Granite City Jaycee Floyd Peters. Checking with Peters is Earl Dotzauer, director of the Granite City Jaycees. Walkie-talkies, electric golf carts and bicycles were used extensively to coordinate the many activities of the Jamboree.

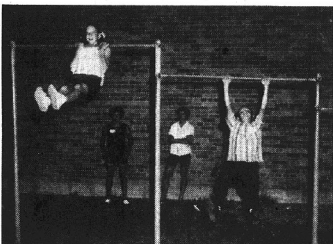

MISS GRANITE CITY and her court talking to Susie Hathaway from Danville while the band takes a break at the outdoor dance for the Jamboree contestants Thursday night.

AHEAD OF THE PARADE is one of four Roca club members who made up a relay team to carry the Olympic torch to the site of the Sports Jamboree at Granite City high school athletic field for the opening ceremony Friday morning.

MARK TAYLOR in the plaid shorts and William Hois were doing the "monkey" on a flag pole, while the band played a "frug" at the Sports Jamboree "get acquainted party" at the Coolidge Jr. high outside basketball courts Thursday night. Mark is from Cantlin and William is from Oaklawn.

AND THE BAND PLAYED ON—while these Jr. Olympic Stars exercised during the "get acquainted party" held at Coolidge Jr. high Thursday night. Swinging are Elizabeth McPherson of Zeigler and John Flowers of Hillsboro.

Clay City Girl Competes In Jamboree for 7th Year

Kathy Patridge, 15, of Clay City, was without a doubt the most experienced runner at this past weekend's Sports Jamboree. She has made the state finals of the track and field meet for the last seven years.

Beginning at the age of 9, when that age group was permitted to participate in the annual event, Kathy won a third-place in the midjet girls 50-yard dash at Springfield.

A year later in 1961 she competed in Champaign where she tied a record for the midjet girls broad jump, and placed second and fifth, respectively, in the 220-yard relay and 50-yard dash. Still a midjet in 1962, Kathy again won first-place in the broad jump, second in the 75-yard dash and fifth in the 220-relay. This was held in Sterling, Bloomington was the site for the 1963 "Junior Olympics." Kathy graduated to the junior division and placed second in both the 100-yard dash and broad jump. Only 13 years-old in 1964

she again won at Sterling, this time in the broad jump (first-place), 100-yard dash (third), and 440-yard relay (fourth).

For these fine efforts Kathy received the girls trophy for the most outstanding sportsmanship shown.

In Charleston last year she was fourth in the intermediate 440-yard relay, and she finished fourth this year in Granite City for the broad jump.

Her coach, Frank Schack, said that Kathy practices her track on an average of three days a week.

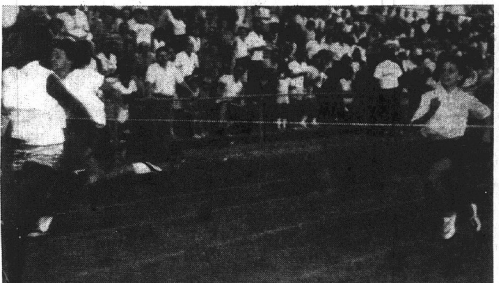

But, no wonder she continues to return year after year—her sister, Connie, 13, and cousin, Brenda, 11, are also finalists in the 1966 Jamboree.

LEAPING DESPERATELY is Jimmy Rogers (right) of Bloomington, while Ernest Smith of Sterling is breaking the finish tape. Smith won the 75-yard run with a time of 9.8 seconds.

RUNNING A CLOSE THIRD is Anna Schillinger from Granite City in one heat of the Junior Girls 75-yard dash. Joyce McCullough, in lane three, won the heat.

TRYING TO DECIDE which piece to take are a group of Jr. Olympic stars at the Jaycee "watermelon feed" following Friday night's competition.

BASEBALL THROWER Archie Newell of St. Charles hurls the "ole apple" 256'6", good enough for fifth-place in the junior boys division.

CHICAGO ENTRANT Cheryl Hooks clears the high jump bar at 4'6" en route to a second place finish in this intermediate girls event.

SURPRISE VISIT by Gov. Otto Kerner to the track area prior to his scheduled appearance at the award ceremonies Saturday. He is wishing a Jr. Olympic athlete good luck with Herbert Seibert, first vice-president of the Granite City Jaycees (left) and Boyd Presley, Jaycee president. In the background is the competition headquarters; standing is Jaycee Donald Kopp, who announced all results for the events.

WILLIAM HARRIS, anchor man on the Roca relay team, lights the torch in the Granite City high school stadium to begin the 1966 Illinois Jr. Sports Jamboree. Behind the torch is the Scott Air Force Band and the Granite City Army Depot Honor Guard.

October Draft Call to be Highest Since Korean War

Increased draft calls have technicians, college students and been indicated by Illinois State others who have been deferred Selective Service officials but no information on September or reasons may be called into service October quotas have yet been received by the Madison county board, it was reported Friday. Neither has the county board been advised of future drafting of teachers, technicians and students.

The board announced that September draft calls for county areas may have been delayed through revision of draft quotas for the next two months. Fifteen men from the Quad-City area left for service last Tuesday and 18 men from the Quad-City area are to be given physical examinations Friday. Otherwise, the Madison county board said at Edwardsville, no other calls for this month have been issued.

It was announced at Springfield last week that teachers,

GC Steel Will Boost Prices On Wednesday

The Granite City Steel Company's base prices for hot rolled sheets and strip will be increased 15 cents per 100 pounds, or \$3 a ton, effective with shipments Wednesday, Aug. 10, Nicholas P. Cutlich, sales manager, announced today.

Secondary prices for the same hot and cold rolled products will also be increased on the same date.

The increase in base prices is the first for those products since 1963 and amounts to approximately 2%. Following are Granite City Steel's new base prices per 100 pounds, FOB mill, on the products affected:

Hot rolled carbon steel sheets, \$5.55; hot rolled carbon steel strip, \$5.55 and cold rolled carbon steel sheets, \$6.75.

Prices will also be increased by 15 cents per 100 pounds, or \$3 a ton, effective with shipments Wednesday, Aug. 10, on electrical sheets (cold reduced; semi-processed) which is not a major product line at Granite City Steel. The new base prices per 100 pounds, FOB mill, on the company's three grades of electrical sheets will be as follows:

Armature grade, \$11.25; electrical grade, \$12.40, and motor lamination grade, \$8.75.

Prices are not increased on any Granite City Steel products except those named. The company is the 13th largest producer of steel in the United States and the largest in the two-state metropolitan area.

Parking Meter Fines, Fees Nine Days Left Still Breaking Records To Pay Taxes Here

Record-breaking collections of fines and fees in operation of parking meters in Granite City continued through July when the city collected \$781 in fines, for violations and lost in \$3097 in fees.

While the July total of fines and fees—amounting to \$3878—was exceeded in March and May this year, the total income for the year thus far total more than that for any similar period during the last ten years.

July collections increased to \$27,000 the total amount of fines and fees for the seven-month period, compared to \$21,320 for the same period in 1965, \$22,344 in 1964; \$22,579 in 1963, and \$22,058 in 1962.

The amount of fees collected in July was the third largest for any of the seven months this year, with March collections totaling \$3539 and May collections aggregating \$3799. The July fee collection, however, was only \$1 more than June collection of \$3666.

Fine collections during every month of this year have been far in excess of those of previous years in what apparently has been a continuous crackdown on meter violations. The \$781 collected in meter fines during July also was the third largest for any single month of the year, exceeded only in February when fines were \$1088, and in March when they totaled \$980.

Fine collections primarily are responsible for the record-breaking collections for overall meter operation. Fine collections during the seven months of this year amount to \$5301, or \$1071 more than the amount of fines collected all 12 months of 1965.

Fine collections during June, however, totaled \$649, or \$132 less than the July fines. Total fine and fee collections in June were \$3745 during 26 days operation at \$144 per day average income. July's total of \$3878 in fines and fees was for 26 days operation with an average of \$149 per day income.

Smallest collection of the year thus far was in January when \$2722 in fees were collected and \$1058 in fines assessed for a total of \$3780. In March, collections were \$3539 in fees and \$980 in fines, a total of \$4519. April collections were \$3040 in meter collections and \$603 in fines, totaling \$3643.

Only nine days remain for Granite City property owners to pay 1965 taxes locally. After Aug. 19, tax bills are to be paid at Edwardsville.

Township Tax Collector E. R. "Pat" Rich reports the collection of the \$6,436,526 total tax bill is now slightly over the one-third mark with payments amounting to \$2,247,030. Of the total, \$1,239,995 represents real estate tax payments and \$907,035 is personal property taxes.

Rich pointed out the city gets 2% commission on all taxes paid locally. The collection office will be open from 8 a.m. until 5 p.m. Monday through Friday until the tax payment deadline—Aug. 19.

SIU-SW to Hold Course For Local Tax Assessors

A special 13-week course for local tax assessors will be conducted by the Public Administration and Metropolitan Affairs Program of Southern Illinois University - Southwestern campus.

The course is financed by a federal grant under the Higher Education Act of 1965. A two-hour session each week will be held from mid-September to December. The course will include principles and practices in assessing, legal basis of taxation, tax equalization and other details. Enrollment is open free to all assessors and deputy assessors.

Corporation Dissolved

A dissolution order for the state corporation charter for the former H & R Furniture Co., Granite City, was issued this week at the office of Secretary of State Paul Powell, Springfield.

The order was issued by the state corporation commission after a hearing on the petition of the creditors of the company, which was filed in the circuit court of St. Louis.

WCTU Holds Local Institute

The local institute of the WCTU was held Friday, conducted by the president, Mrs. Bethel J. Davis, and there was an installation ceremony for new officers, with Mrs. Robert Nessel, state director, presiding. The program was held at Niedringhaus Methodist Church.

Officers installed were—Mrs. Davis, president; Mrs. Ruth Johnston, vice-president; Mrs. Verna Willtrout, acting secretary; and Mrs. Genevieve Willtrout, treasurer. Directors appointed were Rev. E. V. Campbell, legislation; Mrs. Glenn Candiff, publication; Mrs. Ruth Lucas, social service; and Mrs. William Fisher, Christian outreach.

Rev. Paul Sims of Niedringhaus Methodist Church gave the devotion on the theme, "God—A Consuming Fire," and there was a talk by Mrs. Nessel on school legislation. She also stressed the need to prepare kits for servicemen in Vietnam and for children and women there.

Memorial services were held for five members who died in the past year—Mrs. R. L. Miller, Mrs. Olive Little, Mrs. Lucille Carpenter, Mrs. Martha Shelton and Mrs. Otto Johnson.

Special music was presented by Miss Juanita Brewer. The new year for the group will begin with a meeting on Sept. 2.

Miss Spengler Is Honored

Miss Debrah Spengler, daughter of Mr. and Mrs. Merle Spengler of 2608 Adams street, was honored with a personal bridal shower Sunday afternoon in Central Christian Church parlors. Miss Lynette Petish and Miss Ruth Baumann were the hostesses.

Blue and white decorated the tables, and tiny blue sachet pillows trimmed in rosebuds were used as favors.

Games were played and prizes were awarded. A three-tier candle holder with blue candles centered the refreshment table, and a bride doll adorned the gift table.

Present were Mrs. Beth Spengler, mother of the bride-to-be, Mrs. Vivian Forshee, mother of the groom-to-be, Mrs. Louise Petish, Mrs. Linda Caruso, Mrs. Marilyn Voorhees, Mrs. Gloria Hertz, Misses Grace McCance, Lynn Craddock, Barbara Shelton, Gail Forshee, Ruth Ortolan, Donna West, Renee Caruso, Sandy Carr, Marilyn Shepard, and Norma Nolen.

Miss Spengler will become the bride of Gary Forshee on Aug. 27, at the Central Christian Church.

INFLATION OFFSETS WAGE INCREASES

To the Editor:
Just a few lines, Mr. Editor. I am reading a series of daily articles by William H. Kester. I just wonder how many of my former fellow workers are finding these articles interesting enough to read them?
As far back as 1945 in meetings of the full committee of Granite City Steelworkers Union, I was raising my voice of experience when the late Loran Good came back from Pittsburgh as representative on the wage policy committee.
The unions' demand for ever-increasing wages do not solve the problems. In the long run, labor will be the loser. Yes, organized labor, too, is in the line. I will repeat this today. But that Dutchman with his broken English—what did he know about it? Maybe you former fellow workers will believe a financial expert like Mr. Kester. So by all means read his articles. Labor, organized as well as unorganized, suffers today from

"affluence-itis." It's acute, although it has been developing ever since 1945, when wage and price controls as well as the excess profits tax were abolished. I am not an expert journalist but a realist. For years our enemies have been working hard to kill our currency and with it our economy. And by enemies I do not only mean the "communists." There are others in Europe who would like to see us go down.
I read foreign language newspapers in which friends of our country have been working hard to kill our currency and with it our economy. And by enemies I do not only mean the "communists." There are others in Europe who would like to see us go down.
Not informed? Oh yes, we have been informed. But this information is found in editorial sections, not in sport sections. I want how things will turn out in the end. One thing is sure: It requires more statesmanship than is in the White House right now.
Let's get rid of our affluence. It's fake. It may blow up one day in our faces.

Threat of Federal Air Intervention Analyzed

(Fifty of six Tri-Cities Manufacturers Association articles urging development of an effective interstate compact air-pollution organization representing the state of Illinois and Missouri.)
Somewhat outside of the Interstate Air Pollution Control Commission is the threat of "federal intervention" in the state of Illinois under the Clean Air Act of 1963.
The threat has been raised often by St. Louis city and county officials.
We earnestly believe that the Illinois and Missouri Air Pollution Control statutes contain adequate provisions for the control of the interstate air pollution problems in the St. Louis metropolitan area. If the legally provided structure be followed in the manner prescribed by the legislatures.

There seems to be no possibility that an interstate compact organization negotiated by the two states, approved by their legislatures and the Congress, could find in resolving any differences that might exist in air pollution control standards affecting our two-state area.
However, as strongly as we feel that federal intervention in this area on this subject matter is totally unnecessary and of no good purpose, we would rather see such intervention occur than have our local or state air pollution control agencies adopt standards which are unattainable due to their lack of economic or technological feasibility.
Intervention Unwarranted
Such unwarranted federal intervention in the St. Louis area would most assuredly have to be followed in all other heavy manufacturing areas in which competitors operate, and to that extent, the unduly burdensome restrictions on our economy would be equalized.
Also, to that extent, local and state control of our regional economy and everyday life would be greatly lost in the growing federal establishment.
As we have mentioned previously in our criticism of the Interstate Air Pollution Study executive committee's "Air Resource Management Program," Missouri and Illinois laws.

On July 15, in an article entitled "Air Pollution Board Threatens to Seek U. S. Aid Against Two Plants," E. J. Perdue, executive secretary of the Missouri Air Conservation Commission, threatened to seek federal government assistance against the Monsanto Co. and American Cyanamid Co. in a meeting in East St. Louis.

Perdue, executive secretary of the Missouri Air Conservation Commission, threatened to seek federal government assistance against the Monsanto Co. and American Cyanamid Co. in a meeting in East St. Louis.
The threat apparently also is being used to avoid adoption of attainable standards for this region, and to hurry the area into approval of a committee that would primarily represent St. Louis city and county interests, rather than creation of an interstate compact commission as contemplated by both the Missouri and Illinois laws.

Secretary Group Wins Top Award for Adding Members

Twenty-five members of the Tri-Cities Chapter of the National Secretaries Association were present at the regular meeting Tuesday evening to hear an announcement by the president, Mrs. Helen Gieszelschlag, that the local chapter had won first place award for the Great Lakes District for an increase of 30.2% in membership.
The award was made at the recent international convention in Dallas, Texas. There are about 150 chapters in the Great Lakes District.
Miss Viola Willing, treasurer of the entire Illinois Division, presented the program for the evening. Miss Willing, assistant cashier for the Illinois Division, was accompanied by Miss Melba Toupno, a past president of the Alton Chapter.
Mrs. Gieszelschlag gave a report of her recent visit to Chicago with 25 other chapter presidents from Illinois and the state division officers and announced that the local chapter had won first place award for the Great Lakes District for an increase of 30.2% in membership.

SOCIETY

MRS. LLOYD E. MILLER JR., a bride of Saturday. Before her marriage at the Church of God she was Karen Faye Clark, a daughter of Mr. and Mrs. Charles R. Clark, 1349 Edwardsville road.

Miller and Clark Nuptials Saturday at Church of God

Miss Karen Faye Clark and Lloyd E. Miller Jr. were married Saturday afternoon at the Church of God, Orville avenue and Vine bldg.

The bride is a daughter of Mr. and Mrs. Charles R. Clark, 1349 Edwardsville road. Mr. Miller's parents, Mr. and Mrs. Lloyd E. Miller sr., reside at 3040 Lake street.

The bride's grandfather, the Rev. Powhatan Huffman of Irvington, Mo., performed the double-ring ceremony assisted by the church pastor, Rev. R. J. Epps. A reception was held afterward at the YMCA.

The soloist, Mrs. Evelyn Hileman, sang the Lord's Prayer and "Whither Thou Goest," accompanied at the organ by Mrs. Georgia Hindman.

Palms and altar bouquets of white gladioli and daisies decorated the church for the 4 o'clock service.

The bride wore a gown of silk organza and re-embroidered Alencon lace designed with a sabrina neckline, long tapered sleeves and a natural waistline. The floor-length skirt sheath was ornamented with a lace panel down the front and a detachable train extended from the waistline into a flowing chapel train.

A silk illusion veil was held in place with a double crown of silk organza sprinkled with seed pearls and crystals.

The bride carried a cascade of white butterfly roses clustered to the center with red roses and intermingled with variegated ivy. She was given in marriage by her father.

Miss Sharon Kaye Clark, twin sister of the bride, was honor attendant. Bridesmaids were Miss Ruth Ann Hand, Miss Dixie Lee Dillon and Miss Linda Nelson, and serving as junior maid was Nancy Miller, a sister of the bridegroom.

The maid of honor wore a gown of aquamarine chiffon over tulle. The empire bodice had a bateau neckline and elbow sleeves. Tiny roses accented the high waistline and the A-line skirts, floor-length, were trimmed with self roses. Her headpiece was made of petaled chiffon with alternate layers of aquamarine and peacock blue points of white and blue shasta pom poms.

Meyenburg-Fields Nuptials

Announcement is made of the marriage Saturday evening at Pontion Baptist Church of Priscilla B. Fields, a daughter of Mr. and Mrs. Otis Pittman of Collinsville, and Jerry Meyenburg, whose parents are Mr. and Mrs. Clarence Meyenburg, 2838 Palmer avenue.

The ceremony was performed by the Rev. Gus Falter and the newlyweds left for a honeymoon in the Ozarks. When they return they will live at 2431 Hemlock avenue.

The bride is employed as a beautician at Stanley Beauty Salon on Grand avenue. Mr. Meyenburg is an employee of McDonnell Aircraft Corp., St. Louis.

Mrs. Evans Is Honoree

Mrs. Harry Evans jr., 1928 Benton street, was honored at stork shower yesterday afternoon, given in the Eagles Home on Madison avenue. Approximately 50 guests attended.

Entertainment was provided by the Eagles' Kitchen Band. Games were played and prizes were awarded to Mesdames Eveland Groomes, Janet Davis, Janice Haven, Bernice Johnson, meier, Dolores Klesh, Catherine Clark, Pat Cruse, Florence Hagauer, Danna Atkins and Pearl Pickens, all of Granite City, and Mrs. Catherine Wurth and Mrs. Estelle Pollard, both of St. Louis.

A buffet luncheon concluded the party.

MISS NOETH HONORED AT BRIDAL SHOWER

Miss Sandy Noeth was honored Sunday afternoon with a miscellaneous bridal shower, given at the cafeteria at St. Elizabeth's Church. Hostesses were Mrs. Marge Noeth, Misses Genevieve M. Noeth, Miss Joyce Noeth, and 45 guests were present.

Decorations were in blue and white, the gift table held an umbrella in blue with tiny gift packages attached to it. A buffet dessert luncheon was served on a tea table with a centerpiece of blue and white carnations made in an arrangement of an umbrella. Individual favors were tiny white wedding bells.

The games prizes were awarded to Misses Barbara Papp and Deana Hachakal, Mesdames Richard, Lucille Englund, Olive Schatnel and George Land.

Miss Noeth will be married to Roger Innes on Aug. 20 at St. Elizabeth Church.

SMITH-HILEMAN MARRIAGE ANNOUNCED

Announcement has just been made of the recent marriage of Miss Diane Hileman, a daughter of Dr. and Mrs. Olin Hileman of Edwardsville, formerly of Madison, and Ray Smith, whose parents are Mr. and Mrs. Albert R. Smith of Cape Girardeau, Mo.

The informal ceremony took place July 29 at Calvary Baptist Church in Cape Girardeau, and the newlyweds are making their home in Wood River.

The bride is employed by the Olin Matheson Co. and is attending classes at Southern Illinois University - Southwestern Campus where she is a senior. Mr. Smith was graduated from Central high school, Cape Girardeau. He too is employed by the Olin Matheson Co.

MID-SUMMER BRIDE. Mrs. Richard Judd, Har wedding took place Saturday morning at St. Elizabeth's Catholic Church. She is the former Andrea Gasparovic, a daughter of Mr. and Mrs. Andrew Gasparovic jr., 2150 Edison avenue.

Judd-Gasparovic Wedding At St. Elizabeth's Church

In a ceremony taking place for Mr. Judd, and Robert Hilker Saturday morning at St. Elizabeth's Catholic Church, Miss Gasparovic, the bride's brother, Andrea Lee Gasparovic, a daughter of Mr. and Mrs. Andrew Gasparovic jr., 2150 Edison avenue, made up the bride, who was married to Richard Judd, a son of Mr. and Mrs. Francis Judd, 1711 Garfield avenue.

The Rev. George Morelock officiated at the 10:30 nuptial mass, and a reception followed at August's restaurant, Belleville.

White flowers and greenery decorated the church and candles in the aisle were entwined with smilax and white ribbon.

Charles Robinson, soloist, was accompanied by the organ by Bruce Foreman of St. Louis.

The bride wore a gown of white organza designed with a fitted bodice of Alencon lace, short sleeves and a sheath skirt.

A chapel train was secured at St. Louis and received a B.S. degree from Southern Illinois University where he completed work this summer on a master degree in personnel management.

Seven attendants preceded the bride and her father down the aisle.

They were Miss Audrey Gasparovic, a sister, maid of honor, Mrs. William Parker, matron of honor, and Misses Virginia Judd, the bridegroom's sister, and Annette, Angela, Anita and Alissa Gasparovic, sisters of the bride, bridesmaids.

They were dressed alike in maize crepe gowns fashioned on empire lines with slim skirts and teacup sleeves. They carried arrangements of English ivy and variegated ivy roses and wore petal headpieces.

Little Marygrace Smith, a niece of the bride, was flower girl. Robert Hilker jr., served as ring bearer. The flower girl, in a frock of white embroidered organza over taffeta, carried a basket of rose petals.

Don't fight an Old Furnace next winter

Your heating contractor says "Now's the time to get gas heat!"

... "When I have ample time for proper installation."
... "When I can save you money."

It's smart to switch to clean, economical natural gas heat at any time of the year. But it's even smarter to get the job done now. And how you'll appreciate natural gas heat next winter. No more fuss and worry about a cranky, undependable furnace. You'll have automatically controlled comfort all through your home.

Get your gas heat permit at Illinois Power. Then call your heating contractor. He'll give you facts about today's low cost on a new gas furnace... or a simple gas conversion for your present furnace. So, for the best job at the best price, call your heating contractor now.

GO MODERN WITH NATURAL GAS!

Governor Names Committee for Lewis-Clark Park

A statewide committee to recommend the amount of land that should be added to the present Lewis & Clark Memorial Park near Hartford has been authorized by Gov. Otto Kerner to settle a long-standing controversy over the extent of proposed park expansion.

The governor's entry into the dispute came as a surprise since he had indicated earlier he would not take part in the argument which involves the use of a large tract of land along the riverfront near the north end of the Chain of Rocks Canal.

The land is sought by proponents of the park expansion for a park addition of around 500 acres, while the same area is planned for use by the Tri-City Regional Port District for construction of dock facilities.

The governor last week appointed Gene Graves, director of the Department of Business and Economic Development, as Illinois' representative on the federal Lewis & Clark Trail Commission and named 14 members to form the Lewis & Clark Trail Committee of Illinois.

Expansion Size Differences

Land involved in the controversy over expansion of the park is controlled by the Army Corps of Engineers. Extent of the expansion differs among several groups, one of which has proposed enlargement of the park by as much as 500 to 1000 acres. The governor's action will relieve area mayors of the problem of trying to settle the dispute. A committee of the Southern Illinois Mayors' Conference has held several meetings to arrive at recommendations, but has been unable to do so.

The Illinois trail committee named by Gov. Kerner is made up of five state figures and nine from the local area.

Representing the state are William T. Lodge, director of the Department of Conservation; Francis S. Lorenz, director of the Department of Public Works and Buildings; Franklin D. Yoder, director of the Department of Public Health; S. Charles Kendig, chairman of the Nature Preserves Commission; and Clyde C. Walton, state historian.

Local representatives include Mrs. Austin Lewis of the Madison Historical Society; Elmer Hart of the Hartford Historical Society; Mrs. Peter Klumke, president of the Lewis & Clark Society; Ralph Stauder of the Region VIII Tourism Council; Clarence Decker of the Wood River Township Chamber of Commerce; Lamon Heindinger, of the Southwestern Illinois Metropolitan Area Planning Commission; Carl Ranft, chairman of the Tri-City Regional Port District board; Carl S. Mathias of the Tri-Cities Chamber of Commerce; and Jerome Klein, representing the Madison county board of supervisors.

Four GC Youngsters Aid M/D Fund

Four local youths did their part for the muscular dystrophy drive last week by collecting \$1290 for the "Captain 11 TV Show." They all live along Primrose avenue: Gina and Jim Harlan, 11 and 8, daughter and son of Mr. and Mrs. J. A. Harlan; Michael Wakefield, 15, son of Mr. and Mrs. Leroy Wakefield; Stephanie Hetherington, 5, daughter of Mr. and Mrs. John Hetherington.

The youngsters are sending the money to Capt. 11 today as their contribution toward a fund-raising campaign for victims of muscular dystrophy.

With a big sign on the Harlan residence carport, 1712 Primrose avenue, saying "Captain 11's Carnival," they raised the money by selling soda, miscellaneous items donated by other neighbors and by playing assorted games at regular booth set-ups.

Oliver J. Caldwell Named Dean by SIU

Oliver Johnson Caldwell, a prime promoter of education as a substitute for the tradition of force in development of foreign policy, has arrived at Southern Illinois University, Carbondale, as dean of the Division of International Services.

Caldwell, who has visited more than 70 countries during the past 10 years as a "traveling salesman of education" for the U.S., has been appointed to the top International Division post by the SIU board of trustees.

Serving in 1964 and 1965 as chairman of the American delegation to the annual International Conference on Public Education in Geneva, Switzerland, he said that upon leaving the army after World War II he was determined to try to devote the rest of his life to working on substitutes for violence. The answer is education, he firmly maintains.

A principal challenge to American education, he believes, is to develop a new generation of American citizens adequately informed about the world in which they live. Today Caldwell is working on ways to bring into the broad curriculum of the American university more information about the non-Western world, comprising four-fifths of the world population in the Far East, South Asia, Israel, Africa, Latin America and Eastern Europe.

"An enormous progress has been made in many of these areas, with a growing concern in the American university community regarding the urgent need to find new ways to develop a generation of Americans who can understand and communicate with neighbors currently ignored, generally, in the American curriculum," he said.

and Mrs. E. Marshall Schroeder, 1334 Johnson road; Miss Karen Sue Dannenberg, whose parents are Mr. and Mrs. Emmet Dannenberg, 2962 Madison avenue; Miss Marcia Lee Walker, daughter of Mr. and Mrs. Leonard Walker, 3237 Rodger avenue; and Miss Cheryl Lea Slaby, daughter of Mr. and Mrs. W. C. Slaby, 1221 Medidan street.

Graduating ceremonies for the 55 students were held at 3 p.m. at United Hebrew Temple with David A. Gee, executive director of the hospital, presiding. Rabbi Lawrence Siegel, Jewish Federation Community chaplain, gave the invocation and the major address was delivered by Oliver H. Duggins, PhD, chairman of Life Sciences at Forest Park Community College.

Registration Next Week at Public Schools in Madison

Registration for Madison public schools will be held each morning for one week, starting Tuesday, Aug. 16, it was announced today by Wensel L. Brown, superintendent of schools. School will begin Monday, Aug. 29, with an expected enrollment of 3059 students.

Morning registration sessions from 9 a.m. to noon, are scheduled for all schools. Youngsters planning to attend kindergarten at Harris school and Louis Baer school will register at Harris school, with the assignment of students to be made after registration is completed. Pupils of kindergarten age living in the area east of the center line of Mercedia street and north of College street will enroll at Blair school; all other kindergarten pupils will register at Dunbar school.

Assignments will be made following a study of registrants' addresses. Children who reach the age of five years during 1966 may enroll in kindergarten and those reaching the age of six years during this year may start the first grade, Supt. Brown noted.

Medical and birth certificates are required of youngsters entering kindergarten or first grade certificates only for those entering grades five or nine for the first time. Medical examination forms can be picked up when the student registers. The first day of school on Monday, Aug. 29, will start at 8:30 a.m. at Madison high school and 9 a.m. in the elementary schools. School will be dismissed at 11:30 a.m. that day; teachers are to assemble them at 1 p.m. at Madison high school for a short meeting. Buses will operate the first day of school, and the schedule will be the same as in previous years. The cafeteria will not function.
